A Bit of Humor .

The Worshipful Master of our Lodge found a bottle with a Genie in it. In accordance with custom, the Genie offered to grant him a wish.

"OK," said the WM, "I've always wanted to go to Hawaii, but I hate to fly. So my wish is for you to build a bridge so I can drive to Hawaii."

"I can't do that!!!" exclaimed the Genie. "Don't you know that's impossible? No Genie could do that. It's too far, the water is too deep, it's just totally beyond anybody's power. You will have to make another wish."

"OK," said the Master. "I wish that at our next Stated Meeting all the old PMs would just get along and not cause any trouble, not have to tell us how they did it their year, not complain about the ritual, not put down the current officers ... just sit on the sidelines and behave!"

"Hmmmmmm," said the Genie. "Do you want that bridge with 2 lanes or 4??"
